

List Of Machinery

Sr.No.	Machine Name	Make	Capacity
1	Laser Machine	Mitsubishi	2 KW.
2	Laser Machine	Yawei	700 W
3	CNC Punching Machine	Muratec	20 Ton
4	CNC Trupunch 3000	Trumpf	20 Ton
5	CNC Bending Machine	Yawei	80 Ton
6	CNC Bending Machine	Yawei	110 Ton
7	CNC Bending Machine	Yawei	220 Ton
8	CNC Trubend 5130	Trumpf	130 Ton
9	CO 2 Welding Machine = 6 Nos.	ESAB	250 A
10	Aragon Welding Machine = 2 Nos	Panasonic	300 A
11	Spotting Machine	Comptech Genero	30 Kva
12	CNC Shearing Machine	Hindustan Hydraulcs	5.5 KW
13	Kaeser screw Compressor	Kaeser	25 HP
14	Pneumatic Tapping Machine		M3 To M 10
15	Bend Saw machine	Tejas	0-200mm
16	Radial Drilling Machine	Maan Techno Plus	0-25mm
17	Koel Green DG	Kirloskar	125 KVA

CUTTING CAPABILITY

Metal	Thickness
Mild Steel	16 MM
Stainless Steel	10 MM
Aluminium	8 MM

VALUE & MISSION STATEMENTS

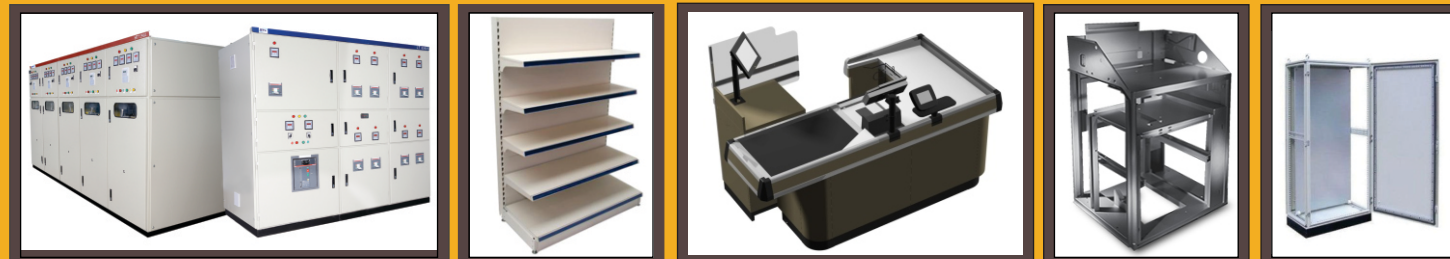

- ➔ **Mission**
Provide sheet metal products and associated supply chain solutions that consistently meet or exceed our customers' needs and expectations for quality, service and value.
- ➔ **Vision**
To be recognized in the industries we serve as the partner of choice.
- ➔ **Core Values**
- ➔ **Customer Focused** :- We are a service oriented organization focused on our customer needs. We will work relentlessly to ensuring our customers are successful.
- ➔ **Committed** :- We are committed to the company's strategic growth, and to our employees that will assist us in our future endeavours.
- ➔ **Family Oriented** :- Our goal is to ensure our employees have a healthy worklife balance. We promote physical activities and believe in a corporate culture emphasizing 'team'.
- ➔ **Passionate** :- Each objective we must overcome will be managed in the same manner no matter how small or how large it may be.
- ➔ **Integrity** :- We live the motto "Do what you say"; we take ownership of the roles we play in the organization.
- ➔ **Can-Do Attitude** :- Our goal is to foster a culture of "Can Do attitudes" where we will always give it our best effort before we say it can't be done

COMPANY PROFILE

Our Fabricated Sample

- ➔ Je Mechanical based in Mankoli ,Bhiwandi is a professionally managed manufacturer of sheet metal fabricated components and has built up a reputation as a quality orientated company in materials, workmanship and customer support. Our skilled team of sheet metal fabricators have vast experience providing components to a large variety of industries. **Our Production Capacity is to Manufacture More than 200 Ton Material every Month.**
- ➔ Our facility contains the latest state of the art metal forming imported equipments such as 2 CNC Laser cutting machines, 2 Punching Machines and 4 CNC Bending machines. Also TIG & MIG Welding Machines. We can drive your project from Preproduction prototypes to production runs.
- ➔ The objective of our company is to provide the highest quality service and to satisfy the customer needs through competitive price and timely delivery

Je Mechanical is ISO 9001-2015 certified & follows LEAN Manufacturing on all its manufacturing process.

- ➔ **Laser Cell**
 - 1) Mitsubishi 3015HVII 20CF3 = 1 Machines (cut up to 15mm MS, 8 mm SS & 4 mm Alu.)
 - 2) Yawei FIBER OPTIC CNC = 1 Machines (cut up to 6 mm MS, 5 mm SS & 4 mm Alu.)
- ➔ **Punching Cell**
 - Muratec M2048TE = 1 Machines (cut up to 3mm MS, 2mm SS & 3mm Alu.)
 - Trupunch 3000 = 1 Machines (cut up to 6mm MS, 3mm SS & 5mm Alu.)
- ➔ **Bending Cell** (new advanced High Precision Press Break)
 - CNC Press Break (Yawei) 110 Ton & 80 Ton = 2 Nos
 - CNC Press Break (Yawei) 220 Ton = 1 No
 - Trubend 5130 (Trumpf) 130 Ton = 1 No
- ➔ **Fabrication Cell**
 - ESAB Make MIG Welding Machines – For M.S. Fabrication
 - PANASONIC Make TIG Welding Machines – For S.S. & Aluminum Fabrication.
- ➔ **Programming Cell**
 - CAM Path is Windows NT based integrated sheet metal CAD/CAM
 - METACAM is a Windows NT based integrated sheet metal CAD/CAM
 - Trutop is a Windows NT based integrated sheet metal CAD/CAM
- ➔ **Design Cell**
 - Solid works & Solid Edge
